

# Second Model Henry Infantry Rifle

## s/n 6330

**Second Model Henry Infantry Rifle** .44 Henry RF s/n 6330 mfg 1864 - 24" Henry barrel with provisions for sling; fixed rear sight; nickel silver front sight; straight grain walnut stock w/ sling; correct four piece cleaning rod in butt.

This gun remains in very good and sound condition with the receiver retaining a dark patina with age and sharp edges; some blue remains on the barrel mixed in with some surface rust; stock is in very good condition with only some minor dings, dents and handling marks; all numbers match. The lower tang is marked with an "H" indicating Benjamin Tyler Henry was the inside contractor. A very attractive yet affordable Henry with all original matching numbers.
