

THE WINCHESTER FOLDING PEEP SIGHT.

THIS sight is especially adapted to Model 1873 Sporting Rifles only, and can be carried on the gun without the slightest inconvenience.

CUTS FULL SIZE.

PRICE, \$3.00.

MANUFACTURED BY THE

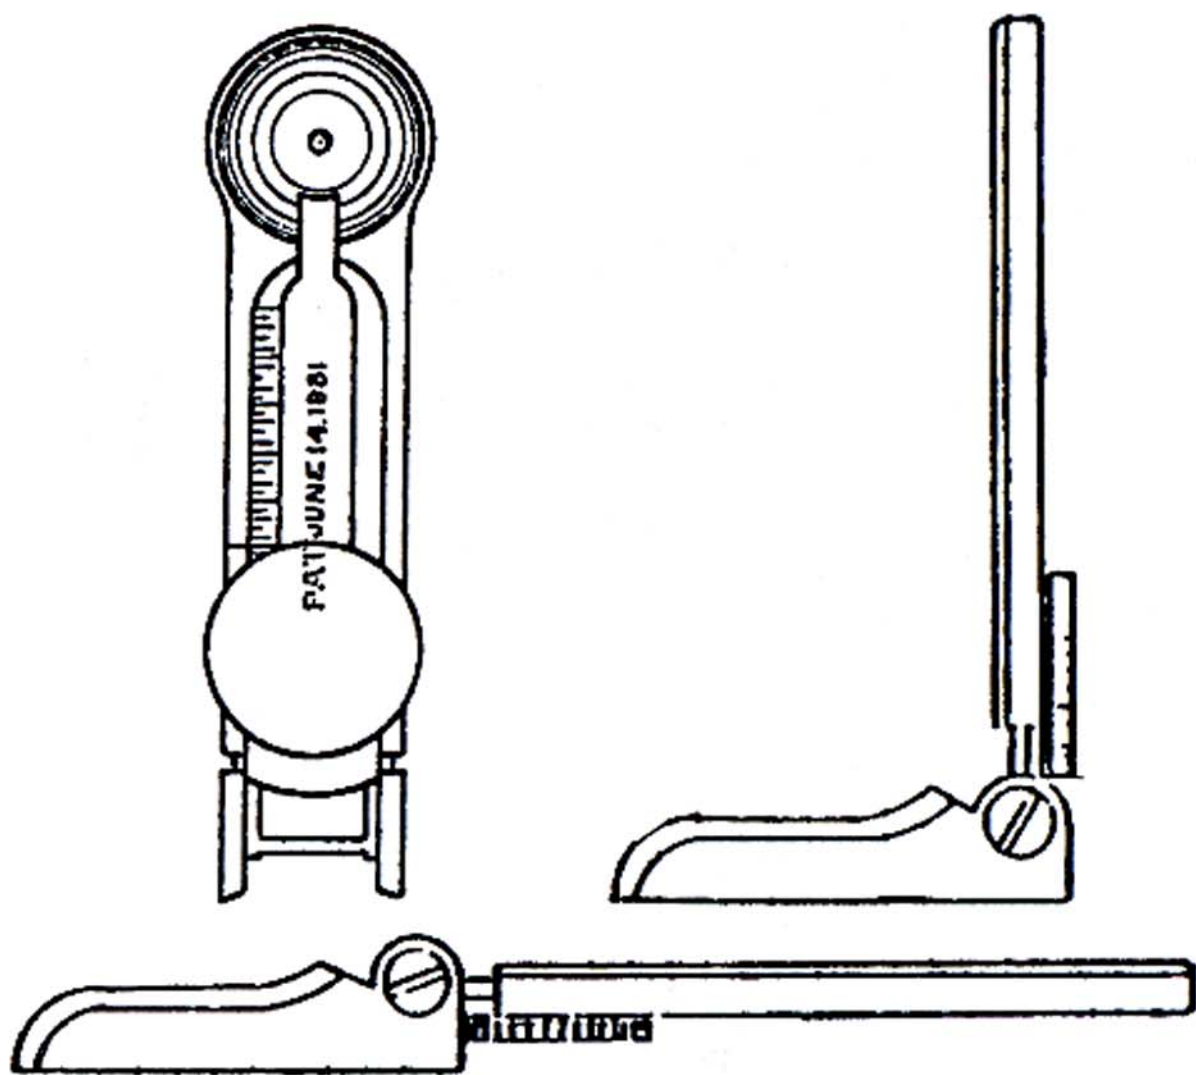

WINCHESTER

REPEATING ARMS COMPANY,

NEW HAVEN, CONN.

As advised, this peep sight was offered for the 1873 model only. Some experimental sights were made using the Bayes patent, which was issued for this sight. Winchester had worked with Bayes in the past, and produced some 1866 models using Bayes patent for a dust cover.
