

Winchester 1866 First Model SRC .44 RF s/n 14820

Winchester 1866 First Model SRC .44 RF s/n 14820 mfg 1867 - 20" round Henry-marked barrel; full mag; flat loading gate; early carbine rear sight; "extra finish" or 1-x grade walnut stocks.

Receiver has sharp edges and a dark patina of age with no signs of polishing; barrel, magazine tube and other steel parts are very dark with some light surface pitting. Stocks have nice grain figuring, in excellent condition with some light handling marks; mechanics are excellent; bore has strong rifling, slightly dark with some light pitting; three-piece cleaning rod in butt; all number are correct and matching.

Includes letter of authentication by the noted Winchester historian and author, George Madis.

\$19,500
